

Cindy's Fund is a Garrett County organization whose purpose is to provide assistance for Garrett County citizens who have been stricken with cancer.

Cindy's Fund is dedicated to helping end and alleviate the pain and heartache of cancer and extending survivorship by pursuing early screening and evaluation for Garrett County cancer victims through the Garrett County Health Department.

Cindy's Fund also covers miscellaneous expenses not covered by insurance for those in need, such as gas cards, food vouchers, hotel stays, and medical/nutritional supplies.

This year, Cindy's Fund will be raising monies and donations through a number of promotions.

What is Cindy's Fund?

Cindy's Fund is dedicated to the memory of Cindy Kutchman, who died of ovarian cancer at a young age.

Cindy was instrumental in promoting early cancer screening in Garrett County and establishing the early cancer screening program through the Garrett County Health Department, which provides screening for those who cannot afford it.

Early detection of many cancers can result in cures or an extension of survival.
